COVID-19 (Version 4) - Risk Assessment (linked to Fierte actions)

Task: Full re-opening 1st September 2020 (children from 3rd September)

Assessors: Simon Russell

Assessment completed (ongoing basis): 11th and 12th July 2020

This risk assessment should be read in conjunction with the guidance as set out in the following documents:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

The principles of the risk assessment can be seen as a hierarchy of controls that, when implemented, creates an inherently safer system, where the risk of transmission of infection is substantially reduced. These include:

- a requirement that people who are ill stay at home
- robust hand and respiratory hygiene
- enhanced cleaning arrangements
- active engagement with NHS Test and Trace
- formal consideration of how to reduce contacts and maximise distancing between those in school wherever possible and minimise potential for contamination so far as is reasonably practicable
- How contacts are reduced will include:
 - grouping children together in class bubbles
 - avoiding contact between groups
 - arranging classrooms with forward facing desks
 - staff maintaining distance from pupils and other staff as much as possible

Please note that by signing this form, you are agreeing that the information provided is correct.

What are the hazards? Risk Level	Who might be harmed and how?	What are you already doing? List the control measures already in place	What further action / information to be considered?	Action to Complete by who Date
Transmission of COVID-19. Med	Pupils Staff	<p>2. Effective infection protection and control- minimising indirect transmission</p> <p><u>Good respiratory hygiene continued at all times!</u></p> <p>Cough or sneeze into a tissue and dispose of it immediately into a sealed bin.</p> <p>Promote: 'Catch it, bin it, kill it' approach. Wash hands immediately after.</p> <p>Bins to be emptied more frequently by a person wearing gloves and an apron. A Cleaner who will move around the building all day every day.</p> <p>Staff and children maintain the choice to wear a facemask. A written agreement MUST be signed by the staff member / child before this is worn.</p>	<p>Ensure bins are double-bagged and tied off when emptied.</p> <p>All rubbish MUST be taken outside immediately when bin is emptied. Cleaners and none bubble staff to check in with teachers to see if bin needs emptying.</p> <p>Tissues and bin bags to be ordered before September opening.</p> <p>Face-coverings: Whilst it is unnecessary for most pupils to wear a face covering, in the event that a child arrives in one children must:</p> <ul style="list-style-type: none"> • Not to touch the front of their face covering when removing them. • Dispose of temporary coverings in a covered bin. • Put re-usable coverings in a plastic bag to take home. • Wash hands immediately. 	<p>Provide staff and parents with written agreement. (Office)</p> <p>Tissues and bin bag stock check - R.A to sort</p>

What are the hazards? Risk Level	Who might be harmed and how?	What are you already doing? List the control measures already in place	What further action / information to be considered?	Action to Complete by who Date
Transmission of COVID-19. Med	Pupils Staff	<p>3. Additional Cleaning</p> <p>-Cleaning of key areas needs to be ongoing throughout the day. This includes frequently touched surfaces; door handles; light switches; tables and taps.</p> <p>-Cleaners to clean down thoroughly at the end of the day - each day, every day.</p> <p>-All play equipment must be cleaned between uses i.e. after one child has played with it; it needs to be cleaned before the next person uses it. Therefore, it is wise to limit the number of physical resources that pupils are able to access in the day.</p> <p>-Outdoor play equipment may be used by different groups as long as strict hand hygiene is promoted and no touching face.</p>	<p>Continue to safely store cleaning equipment away from pupils after use (at all times) to minimise the risk of pupils ingesting.</p> <p>Cleaning time continues to be increased in September to ensure safety of all.</p> <p>Follow the cleaning in non-healthcare settings guidance:</p> <ul style="list-style-type: none"> • cleaning an area with normal household disinfectant will reduce the risk. • wear disposable or washing-up gloves and aprons for cleaning. These should be double-bagged, then stored

Contact with pupils or staff with coronavirus symptoms. High	Staff Pupils	<p>5. Isolation if presenting symptoms at school</p> <p>If a child or staff member develops symptoms whilst at school, they must immediately go to the Headteacher's office, with the windows opened and arrangements will be made for them to go home.</p> <p>If direct personal care needs to be given, a facemask should be worn by the supervising adult if a distance of 2-metres cannot be maintained. If direct contact with the child is necessary then gloves, an apron, facemask and eye protection (if necessary) should be worn.</p> <p>Other staff or children present must immediately wash hands following the guidance given in point 1.</p> <p>Symptomatic person to book a test immediately and inform school of outcome as soon as possible.</p> <p>If the case is positive, the bubble and anyone who may have been in close contact will be asked to isolate for 14 days.</p> <p>If the case is negative, the person displaying symptoms may come back to school once they are symptom free and well enough to do so.</p>	<p>Follow up deep clean of the HT office and room child has been working in (if required) asap.</p> <p>If a child is sick or has a bumped head therefore is not presenting Coronavirus symptoms, they will be asked to stay in the library area away from the Headteacher's office.</p> <p>A separate medical book will be kept to log any staff / children off school with symptoms therefore a recording / tracking process in place.</p>	Medical book for recording cases to be continued (Office)
What are the hazards? Risk Level	Who might be harmed and how?	What are you already doing? List the control measures already in place	What further action / information to be considered?	Action to Complete by who Date
Contracting COVID-19 for vulnerable and extremely vulnerable people. High	Vulnerable and extremely vulnerable people.	<p>6. Pupils who are shielding or self-isolating</p> <p>The majority of pupils will be able to return to school. Read the current advice on shielding.</p> <p>Some pupils no longer required to shield but who generally remain under the care of a specialist health professional may need to discuss their care with their health professional before returning to school.</p> <p>Where a pupil is unable to attend school because they are complying with clinical and/or public health advice, immediate access to remote education will be provided.</p>	<p>This information must be clearly communicated to all staff and parents.</p> <p>See relevant section on continuation of learning.</p>

Contracting COVID-19 for vulnerable and extremely vulnerable people. Medium	Vulnerable and extremely vulnerable people.	<p><u>7. Staff who are clinically vulnerable or extremely clinically vulnerable</u> We expect most staff to return to the workplace, although we advise those in the most at risk categories to take particular care while community transmission rates continue to fall. Advice for those who <u>are clinically-vulnerable, including pregnant women, is available.</u></p> <p>Individuals considered to be clinically extremely vulnerable are now advised that they can return to work from 1 August as long as they maintain social distancing. Advice for those who are extremely clinically vulnerable can be found in the <u>guidance on shielding and protecting people who are clinically extremely vulnerable from COVID-19.</u></p> <p>Although this is not applicable to any current staff members, if this was to change we would aim to deploy them to work remotely where possible or in roles in school where it is possible to maintain social distancing.</p> <p><u>Staff who are pregnant</u> As a general principle, pregnant women are in the 'clinically vulnerable' category and are advised to follow the relevant <u>guidance available for clinically vulnerable people.</u></p>	Remind staff if their circumstances change (for instance pregnancies) to inform headteacher at earliest opportunity so an individual risk assessment can be produced.

<p>Contact with other pupils or staff who may be carrying Coronavirus but are not displaying symptoms.</p> <p>Med</p>	<p>Staff Pupils</p>	<p>8. Minimising contact and mixing - class groupings</p> <p>Children and staff (where possible), only mix in class bubbles and that bubble stays away from other people and other bubble groups.</p> <p>While general groups will be kept apart, brief, transitory contact, such as passing in a corridor is low risk, however, we will now be vigilant around school and will not keep the one-way system. Playground marked using semi-permanent markings to ensure clearly assigned areas for class groups.</p> <p>First aid: Basic playground first aid will be administered by the lunch supervisor. For other instances, the office will carry out first aid, following relevant directives especially if personal attention is required e.g. gloves, apron, mask, eye protection.</p> <p>For children requiring inhalers or medicine, these must be put into a plastic bag and labelled. These will then be put in a class medical box.</p> <p><u>Breakfast club</u></p> <p>Breakfast Club will run in September from 7.30am. Tables will be laid out in the hall - one year group bubble per table. Breakfast club will run until 8.50am when all children will be sent to classes and OPOJ staff will join their own bubble.</p> <p>Table service will be actioned and the children will stay at own bubble table at all times. Children to keep bags by tables.</p> <p>PARENTS MUST BOOK BREAKFAST CLUB DAYS THE WEEK BEFORE. CHILDREN CANNOT JUST TURN UP DUE TO LIMITS ON NUMBERS.</p>	<p>NORMAL REGISTERS FOR ALL YEAR GROUPS</p> <table border="1" data-bbox="1549 478 2543 1535"> <thead> <tr> <th>Group</th> <th>Staffing</th> <th>Location</th> </tr> </thead> <tbody> <tr> <td>Year 6</td> <td>Mr FitzPatrick</td> <td>9.00am entrance via main gates. <p>Contact with other pupils or staff who may be carrying Coronavirus but are not displaying symptoms.</p> <p>Med</p>	<p>Pupils Staff</p>	<p>9. Classroom layout and resources</p> <ul style="list-style-type: none"> -Individual resources will continue to be used (pencil cases for each child), ensuring that they do not mix up their resources. Staff ask for additional resources if required. - Remove soft furnishings and soft toys (where possible) and anything that is more difficult to clean. - All children in years 2-6 will face the front of the classroom. -Stagger break times and lunchtimes - Playground to be zoned when more than 1 year group outside. - Children can 'order' what lunch they want in the morning so that it can be cooked to order and to avoid children congregating at the kitchen hatch. -Tuck - Children bring in own snack. Tuck will start week 2. -Dinner - Menu provided and children order meals daily in classes. Payment must be made by sealing money in an envelope and posting it into an assigned post box outside school or giving to gate staff. Parents cannot visit the office for payments. Meal payments for the week must be paid for asap. No arrears into week after or meals will cease. -GLOVES TO BE WORN FOR ANY HANDLING OF MONEY. - Classroom based resources, such as books and games, can be used and shared within the bubble; these should be cleaned regularly, along with all frequently touched surfaces. - Resources that are shared between classes or bubbles, such as sports, art and science equipment should be cleaned frequently and meticulously between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. - Outdoor playground equipment should be more frequently cleaned. - Limit the amount of equipment brought into school each day, to essentials such as lunch boxes, hats, coats, books. Bags are allowed and labelled water bottles (monitor sensible use) - Pupils and teachers can take books and other shared resources home, although unnecessary sharing avoided. 	<p>- Dinner will be served in the hall over a specific period of time as shown below. 4 dinner ladies will be present:N.B, S.E, N.W, S.O,+1 more</p> <p>- 4 spaces to be zoned off in the hall so that a maximum of 4 year groups can eat dinner at any 1 time.</p> <p>- Dinners to be prepared for learners before arrival so they can sit down and eat then exit onto playground quickly. (pre-ordered).</p> <p>- Children to wait for last dinner / sandwich child to finish and then all access at the same time with the lunch supervisor.</p> <p>- 4 zones to be created on the playground so 4 year groups can access the playground.</p> <p>KS1 lunch - 12.30- 1.20pm / KS2 lunch - 12.10 - 1.00pm</p> <p>S.O to support in hall and work alongside A.O in kitchen at all times.</p> <table border="1" data-bbox="1552 898 2543 1822"> <thead> <tr> <th>Year</th> <th>Break times (15 mins)</th> <th>Lunch times</th> </tr> </thead> <tbody> <tr> <td>6</td> <td>10.30am - KS2 - 1 half</td> <td>12.10pm - S.E to focus on this group in hall nearest stage. <p>Contact with other pupils or staff who may be carrying Coronavirus but are not displaying symptoms.</p> <p>Med</p>	<p>Pupils Staff</p>	<p>10. Minimising adult: adult contact</p> <ul style="list-style-type: none"> - Revised Parent protocol in place for drop off and pickups to minimise adult contact. No congregating parents - need to drop and go. - Main gate to be locked from 9.10am and opened 2.55pm. - No parents to come into school without prior appointments only for meetings deemed essential. All contact with teachers should be initiated via email or telephone call. Parents to understand that teachers will contact as soon as possible but will be after school. No discussion before school - Mr. R /office member to ensure messages are passed on when on gate. - To avoid groups coming together, only one parent/carer to come to school to drop child off. - Stagger drop off and collection times. Mr. R and 1 x office staff member to co-ordinate outside. Minimal staff outside to ensure children are distancing inside building. - If siblings are being dropped off, they should drop off at the earliest time and pick up at the latest time to avoid disruption to the lessons. - Staff must maintain a 2m distance from each other and should aim not to mix with staff from other groups other than at a distance. A maximum of 4 staff should use the staff room at any 1 time. - All teachers and other staff can operate across different classes and year groups in order to facilitate the delivery of the school timetable. Where staff need to move between classes and year groups, they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults. - Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual. - Staff members to use normal toilets but must ensure ladies use 1 at a time - ensure signage is clear on door. 	<p>-Parent protocol to be sent out again for whole return.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr style="background-color: #00a0e3; color: white;"> <th>Year group</th> <th>Drop off / Pick up time</th> <th>Pick up location</th> </tr> </thead> <tbody> <tr> <td>6</td> <td>9.00am - 3.20pm</td> <td rowspan="4">Teacher to leave school with all children and walk to main gate</td> </tr> <tr> <td>5</td> <td>9.00am - 3.20pm</td> </tr> <tr> <td>4</td> <td>8.55am - 3.15pm</td> </tr> <tr> <td>3</td> <td>8.55am - 3.15pm</td> </tr> <tr> <td>2</td> <td>8.50am - 3.10pm</td> <td>Leave via Bottom KS2 gates and leave at main gate.</td> </tr> <tr> <td>1</td> <td>8.50am - 3.10pm</td> <td>Teacher to leave school via the office entrance and use opposite side of lines to year 2. Risk of Spread of infection during close contact Med	Staff Pupils	<p>12. Where close contact is unavoidable Intimate Care</p> <p>Wherever possible, staff to encourage children to undertake self-care and staff to direct from a minimum distance of 2m. Where this is not possible, staff should wear disposable gloves, a disposable apron and if possible, cover their mouths with a mask to support the intimate care. Once completed, all disposable protective equipment should be disposed of by double bagging and hands should be thoroughly washed by the staff member and child.</p>	<p>All protective equipment being purchased in preparation for opening.</p> <p>See section 9 for distraught child.</p>

		<p>First Aid Staff members should try to have minimal physical contact. They should wear gloves and an apron (where available). Once first aid has been administered a thorough hand wash for staff and pupils needs to take place. (Follow intimate care protocol if required).</p> <p>Supporting pupils with physical needs Wherever possible, physical contact should be kept to a minimum with gloves being worn (where available). If 1-1 required, ensure this is at distance. Regular handwashing should be an action following all physical contact and room thoroughly cleaned between children.</p>

Disruption to normal curriculum experiences.	Pupils	<p>15. Curriculum</p> <ul style="list-style-type: none"> Schools can resume non-overnight domestic educational visits. This will be done in line with protective measures, such as keeping children within their consistent group, and the COVID-secure measures in place at the destination. However, for the first term we will focus on getting children back in to a routine within the normal school environment. Priority will be given to supporting pupils' emotional wellbeing in the first instance (EB to look at opportunities) For Reception and year 1, teachers should assess and address gaps in language, early reading and mathematics, particularly ensuring children's acquisition of phonic knowledge and extending their vocabulary. Reception and year 1 to consider how all groups of children can be given equal opportunities for outdoor learning. For pupils in key stages 1 and 2, school leaders are expected to prioritise identifying gaps and re-establish good progress in the essentials (phonics and reading, increasing vocabulary, writing and mathematics), identifying opportunities across the curriculum so they read widely, and developing their knowledge and vocabulary. The curriculum should remain broad, so that the majority of pupils are taught a full range of subjects over the year, including sciences, humanities, the arts, physical education/sport, religious education and relationships and health education. No whole school assemblies will take place (consider class based) or large gatherings e.g. Parent workshops / inspire workshops. Schools have the flexibility to decide how physical education, sport and physical activity will be provided whilst following the measures in their system of controls. Pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided. Outdoor sports should be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene. 	<p>Curriculum training to be carried with staff on INSET day.</p> <p>Explore catch-up programmes alongside DELT and TIME lead once funding and details are announced.</p> <p>Core leaders to establish needs for first term in September. We will not re-test the children (PIRA, PUMA etc) but we will consider identifying where children are in their learning. This will be in a relaxed manner through AFL assessments, quizzes and questions. This will develop consider plugging gaps in the first term and differentiate accordingly.</p>	<p>E.B to consider PSHE needs especially pupils' Emotional Well-being</p> <p>Core leaders to consider curriculum needs for Autumn 1</p>

<p>Risk management for a confirmed case of COVID-19 in school.</p> <p>Med</p>	<p>Pupils Staff</p>	<p><u>21. Suspected or confirmed cases in school</u></p> <p><u>Step 1-Isolating</u> If a child or staff member presents with COVID-19 symptoms (fever / new continuous cough/loss of smell or taste), the person should be sent home as soon as possible. In the case of a child awaiting collection, they will be isolated in the Headteacher's office with the window left open. If the child is young and needs an adult to care for them, the adult should wear a mask, gloves, apron and eye protection (if required). If the child has to go to the toilet, nobody should then use this toilet until it has been cleaned. Staff who have looked after the child do not need to go home unless they are displaying symptoms. They should wash their hands thoroughly and dispose of the PPE they have worn. When a child, young person or staff member develops symptoms compatible with coronavirus, they should be sent home and advised to self-isolate for 7 days. Their fellow household members should self-isolate for 14-days.</p> <p><u>Step 2- Testing</u> Tests should be carried out in the first 4 days of symptoms. All staff and students who are attending an education or childcare setting will have access to a test if they display symptoms of coronavirus. For staff members, a test is requested by emailing: covid19workforce@northstaffs.nhs.uk For pupils and their families, they should call 119 arrange testing.</p> <p><u>Step 3- Outcome of testing</u></p> <p>a) If a child or staff member tests positive, the staff member working with the group and the group need to be sent home and to self-isolate for 14 days. Other family members do not need to isolate unless the person or staff member they live with develops symptoms. Family must engage with Track and Trace.</p> <p>b) If someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. Other members of their household can stop self-isolating.</p> <p><u>Step 4- 'Track and Trace'</u> All children can be tested, including children under 5, but children aged 11 and under will need to be helped by their parents/carers if using a home testing kit.</p> <p>Essential to provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test and Trace.</p>	<p>Revised flow chart produced and displayed at all entrances and in each classroom.</p> <p>'How to arrange a test' guidance for staff to be circulated and displayed in the staffroom.</p> <p>Deep clean of Head's office and area child has worked in following isolation period.</p> <p>In the case of numerous cases, contact made with PHE.</p>

Risk management for a confirmed case of COVID-19 in school. Med	Pupils and staff	<p><u>22. Manage confirmed cases of coronavirus (COVID-amongst the school community).</u></p> <ul style="list-style-type: none"> • Schools should contact the local health protection team. • The health protection team will carry out a rapid risk assessment to confirm who has been in close contact with the person during the period that they were infectious, and ensure they are asked to self-isolate. • Schools must send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 14 days since they were last in close contact with that person when they were infectious. • A template letter will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed. • Schools must not share the names or details of people with coronavirus (COVID-19) unless essential to protect others. • Household members of those contacts who are sent home do not need to self-isolate themselves unless the child, young person or staff member who is self-isolating subsequently develops symptoms. • If someone in a class or group that has been asked to self-isolate develops symptoms themselves within their 14-day isolation period they should follow '<u>stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection</u>'. • <u>Further guidance is available on testing and tracing for coronavirus (COVID-19).</u>
