

Fierté Multi Academy Trust
Ankermoor Primary Academy

11th June 2020

Dear Parents / Carers,

Another week has nearly been completed and more children are starting to return to school, which is absolutely fantastic! Those that are in school are really starting to establish a routine and we would suggest that, as the term goes on, you try and bring them in for the full 5 days so learning is not being missed.

Sadly this week, the government announced that those not in school currently (Years 2, 3, 4 and 5) would not be able to return safely this year, which is extremely sad for Ankermoor as we were optimistic of welcoming even more of you back.

To ensure that you keep pace with the learning and to ensure your child still accesses schooling, I strongly suggest that they access their Teams page and use of BBC Bitesize as mentioned last week. This week, we've had lots of learners from years 2, 3, 4 and 5 working remotely and live with Mr Mac, Mr Fitz, Mrs Price and Miss Walker. This has been absolutely brilliant and these children should be applauded for all their hard work!

As we now continue to move through the next phase of this pandemic, we feel it is essential for you to evaluate our response and let us know what you were pleased with and any areas we could improve on. **Therefore, could you please complete the survey which will be sent out asap.**

I am proud of our school. We opened for all possible year groups when other schools remained closed. We are ensuring that safety is our most paramount concern and we will not move away from this until the pandemic is over.

I look forward to seeing more of you in school and more of you online, accessing the learning!

Have a lovely weekend when it arrives,

Mr Simon Russell
Headteacher

Learn Together, Achieve Together
