Dear Parents / Carers,

Well... What can I say - WHAT A YEAR!

Can I thank the children for being simply BRILLIANT and so understanding at this difficult time. Our children are so resilient and just 'get on' even in these unprecedented circumstances. Lots of them have been here in school working hard whilst others have been at home working remotely – we thank you for this!

Can I thank our parents for being so understanding in such difficult times. You have all been fantastic! All you moms and dads caring for your little ones - whether you've baked a cake; been on forest adventures; tackled that difficult home learning or simply just spent time with your little ones...it will never be forgotten!

Finally, can I thank the staff. We are so lucky to have such a committed, passionate and devoted team. They have been in school throughout holidays; sent messages of support on Teams; made phone calls to check in; visited houses to make sure families are okay; set learning so that you can teach from home and finally been there for you and your children. When many schools have failed to reach out to their families, Ankermoor have shown true qualities to support you all! This fills me with happiness and makes me realise what a super school we have!

The journey will continue in September and we really need to be ready for this in a big way! We want to support you as much as we can and have to ensure everyone is safe in September so please make sure you follow the guidance.

We simply cannot wait for everybody to return on Thursday 3<sup>rd</sup> September but if you need us over the holiday for anything please call 213780 or email [office@ankermoor.org](mailto:office@ankermoor.org)

Stay safe, take care and enjoy the summer,

Simon Russell and #teamankermoor
