Epic reading app

Good afternoon all,

Firstly we hope you are all well and keeping safe. The response to remote learning has been remarkable, thank you.

We have gained access to Epic reading and accounts for everyone have been created. Details to these are below and will also be sent via text.

Look for <https://www.getepic.com/sign-in/educator>

Or Google search Epic reading

For downloads onto Ipads or tablets search Epic reading within your App store.

Class code - **kjt2535**

Passcodes- Will be sent via text.

All children will have to find their names amongst the list. *Please note some names show more than once so please check for a last initial or check their passwords to see if it is the correct name.*

Any problems please contact inbox@ankermoor.org for support.

Thank you
Mr Macdonald

The screenshot shows the Epic! website interface. At the top is the Epic! logo. Below it is the 'Student Login' section with a 'Don't know your class code? Ask a teacher.' link, an 'Enter Class Code' input field, and a 'Go!' button. Below this are two side-by-side 'Class Log In Instructions' panels. The left panel is for 'Laptops' and the right is for 'iOS/Android'. Both panels have a list of three steps: 1. Go to www.getepic.com/students, 2. Enter class code **kjt2535**, and 3. Select their name. Below each panel are buttons for 'Print Instructions' and 'Try Student Experience'.

Learn Together, Achieve Together
