Re: Parent Planner 2021-22

Dear Parents,

We have had an exciting first term in Year 5 and have been really pleased with how the children have settled.

To support you with your awareness of what is happening in our school, we will continue to send out a half termly parent planner which will list all information about subjects and also information about homework to be completed by your child.

It is vital that your child keeps their learning alive at home and completes any homework on time **to a high standard** so they can make the most of their learning experience. Homework should be independent where possible with any comments recorded in their home / school diary or on Teams so I can be aware and continue to support your child in school. **Please do not worry over homework - the most important thing is to have a go. : )**

We look forward to the year ahead!

Kind regards,

Mrs Price  
Y5 Class teacher
