Re: Parent Planner 2021-22 - Year 5

Dear Parents,

As we move into the Summer with such speed, I would like to thank and praise the entire Year 5 family for their perseverance and hard work. The entire class has made such exceptional progress this year and I urge us all to continue our efforts to the end. I am exceptionally proud of us all and am looking forward to seeing what the Summer term brings. #TeamNene

To support you with your awareness of what is happening in our school, we will continue to send out a half termly parent planner which will list all information about subjects and information about homework to be completed by your child.

It is vital that your child keeps their learning alive at home and completes any homework on time **to a high standard** so they can make the most of their learning experience. Homework should be independent where possible with any comments recorded in their home / school diary or on Teams so I can be aware and continue to support your child in school. **Please do not worry over homework - the most important thing is to have a go.**

Kind regards,

Mr Macdonald  
Year 5 Class teacher

<b>Homework activity</b>	<b>Additional detail</b>	<b>Expectation</b>	<b>Rewards</b>
<b>Reading</b> 	Record in your reading diary when you have read. Try and read 3-5 times per week. Please try to read to an adult. <b>Adults</b> - please use the Canine questions that will be in the home / school diary. We are focusing on a canine each week to check your child's understanding about what they have read. It is important that children read for pleasure but also that they understand what they are reading.	5-10 minutes per session	<b>House points and reading challenge rewards.</b>
<b>Grammar and Spelling</b> 	Look at the <b>Statutory Spellings / Common Exception</b> words sent home by your teacher - work on these at home. These will be retested each term. <b>Grammar bug can also be used to support this.</b> Check your home / school diary to see if there are any words listed in there. Classroom display has been created to aid this too!	5 minutes per session	<b>House points given Spelling bee challenge</b>
<b>Targeted Homework</b> 	All extra homework is targeted according to need so if your child has struggled in a particular area they will receive targeted strengthening homework for this. Likewise, if your child needs to consolidate the learning or to deepen their understanding further. It could be maths, grammar, spelling, comprehension or even Handwriting. Please check <b>Teams</b> for this as an assignment will be set. This may include a teaching video attached to further support. This will also be recorded in your child's diary.	15 minutes depending on focus As necessary, Maximum one piece a day.	<b>House points given</b>
<b>Online extras</b> 	<b>TTRS / Numbots</b> is a great resource to practice basic skills in Maths. It is expected that you child knows <b>all times table and division facts to 12 x 12.</b>	5 minutes	<b>House points given Weekly certificates</b>

**Home learning for our topic on**

Here are some creative tasks that your child could do to make them into incredible learners. I look forward to seeing your creative projects.

Please complete any or all of them if you like:

- Research some French fashion
- Design a new ride for a theme park.
- Create a leaflet persuading people to look after our environment.
