Re: Parent Planner 2021-22 - Year 3/4

Dear Parents,

This is our last half-term!

To support you with your awareness of what is happening in our school, we will continue to send out a half termly parent planner which will list information about subjects your child is studying and the expectations for homework that is to be completed.

It is vital that your child keeps their learning alive at home and completes any homework on time and to a high standard so they can make the most of their learning experience. The key to homework is 'little and often' - it is a good idea to set out a timetable of what will be practised and when. If you would like to make any comments regarding how your child has responded to the homework, then these should be recorded in their home/school diary so that we can continue to support your child in school.

Please do not worry over homework - the most important thing is to have a go and we are always contactable via the school office if you have any questions.

We look forward to the rest of the year!

Kind regards,

J. FitzPatrick
