22nd June 2020

Dear Parents and Carers,

As you will be aware, we have now been open for a full 3 weeks and already have growing numbers in school. We have nearly reached a safe capacity in school so appreciate your understanding at this difficult time.

This week, we will be sending out several letters linked to the following aspects:

- New teacher letter: To ensure we start to think about the new school year (2020-21) for your child.
- Holiday club letter: A letter providing information about summer holiday clubs.
- Full survey from Edurio: A survey link will be sent to pupils, parents and staff to fully review the impact of the Covid period – please ensure you fill this in. *This is separate to the survey sent a few weeks ago.*

We will continue to make contact with those children that are not in school currently and would love to chat with them as some teachers have done already. We really do miss them all!

Please remember to keep accessing the learning from home. We will keep adding work to class pages on the website; sending home paper packs and also using Teams to teach live lessons.

We hope you have a super week!

Kind regards,

Mr Simon Russell
Headteacher
