Dear Families,

As you will most likely be aware, illness rates (including COVID) are continuing to increase within our school and wider community. As a result, we are finding it extremely challenging to identify supply cover for classes. As a staff and Senior Leadership Team, we have stepped in to cover classes thus ensuring that your child continues to receive their education and will continue to do so.

We will do everything we can to keep your children in education and in school. However, I wanted to make you aware that if staff absences continue and we are unable to cover classes we will have to make the extremely difficult decision to close a class as part of our Safeguarding and Health and Safety requirements from the Department for Education.

If it does get to this stage, we will endeavour to let you know as early as possible in order to support you with finding alternative arrangements.

Thank you for supporting us; please continue to do so to help reduce the spread.

Kindest regards,

Simon Russell (Mr)
