

Day 12

So today is the 12th day at school during Covid-19 and this morning we have looked at the Easter story.

We have all made a picture of an event that happened during the Easter story. We used a variety of different things to create our pictures such as paint, colouring pencils and felt tips.

Today the teachers are Mrs. Bryan and Mrs. Davies.

- Today, we also created Easter cards. Our cards were colourful, hand-coloured and beautiful.
- We decided to create a choir so we sang a song to show we are fighting through the Coronavirus, which is what everyone is doing! Well done everyone!
- Some people created Jesus on the cross with stickle bricks to represent the Easter story.
- Lots of us have enjoyed learning about Palm Sunday and the story of Jesus.

Remember:

Make sure everyone is keeping safe and still smiling by:

- Washing your hands
- Keeping a smile on your face
- Clapping for the NHS on Thursday
- Keep social distancing (2 metres apart)
- Only go out only for essentials

Some pictures to show you what we have done
