

## A Few Words from Mr Hancox

We have had such a busy start to the half term, ranging from trips into the local community, being taught science and design and technology virtually, raising money for Children in Need, outdoor learning, learning about the origins of kettle drums and even playing a drum that was 80 years old. We have lots of exciting things happening this half term so please try to come into school to experience all the different experiences.

**Well done to all the children who have shown respect.**

## Communication Reminder

We are so happy about the amount of parents who join us for our Parents Lunch each week. It is so wonderful for the school to see children and parents/carers enjoying a lunch together.

If you do come to a school lunch, please make sure that you only stay in the hall and do not go onto the playground, we do not allow parents to be with the children on the playground due to health and safety reasons. Can you please not come onto the playground/classrooms, when you are dropping off children in the morning. Thank you for your co-operation with this.

## Year 3 and 4 trip to St Editha's Church

Year 3 and Year 4 have been looking at symbols of Christmas.

## A week in photos – Year 5/6

We solved lots of problems and created models of the Green Man in Forest Friday.

We went on a visit to the local fire station to understand how they help the community.

## Timetable for Christmas
